Once in a lifetime experience in either one of our four provisional troops or two provisional co-ed crews.

Come join the Patriots' Path Council on an adventure to the 2017 National Jamboree at the Summit Bechtel Reserve. Our contingents will be traveling by bus with an overnight at Concord University. The bus will pull through the gates at the Summit Bechtel Reserve in the morning on July 19, 2017.

You'll be able to explore the mystery, adventure, and beauty of a West Virginia summer along with the adventure of Scouting. Be prepared for fun and adventure while being part of either a provisional troop or provisional co-ed crew.
