2019 Annual Report

# COUNCIL KEY 3 MESSAGE

Scouting continues to thrive thanks to you, our dedicated volunteers and financial supporters. This past year was one of continued success within the Boy Scouts of America as well as within Patriots' Path Council. We welcomed young ladies into our iconic Scouts BSA program and had another strong program year highlighted by our "Jersey Jam" camporee that attracted more than 3,000 youth attendees!

With 20 successful years behind it, Patriots' Path Council is focused on the spirit of "Scouting Forward." We will continue to develop and deliver life-changing programs to the Scouts we serve while addressing several challenges including a study of our camp properties, how we can better communicate with and provide service to our volunteers and families, and addressing financial sustainability.

Our Scouting journey continues forward thanks to you!
