Individual Awards

This year please select up to two volunteers in your unit to receive the Munsee Knot. We all know volunteers in our units who do that little (or not so little) extra to make Scouting happen. Isn't it time that we recognize them? Name your unit's Munsee Knot honorees through the Munsee calendar (select the event on January 12, 2019) at www.ppcbsa.org by December 2, 2018.

District Awards of Merit (DAM) will also be presented. The District Award of Merit is presented to Scouters who render service of outstanding nature to youth in the community, through Scouting and other programs. This is the highest award that a district may present. The DAM nomination form can be found on the registration site. Please forward the completed form to Dan Turano, turanmkd@comcast.net by December 2, 2018, for final review by the district recognition committee.

Scouts who attained the rank of Eagle Scout in 2018 are encouraged to attend. Those Eagle Scouts and their families will be recognized for this outstanding achievement.
