

BOY SCOUTS OF AMERICA®
PATRIOTS' PATH COUNCIL

September 3, 2019

Welcome to Re-chartering 2020.

Included in your rechartering email is:

1. Your internet rechartering access code, (unique every year).
2. Internet Rechartering Instructions
3. Youth Protection Training Aging Report Instructions
4. 2020 Fee Calculator and Unit Key 3 Checklist. **DO NOT use the fees shown online when submitting your charter. You will underpay requiring us to put your charter on hold.**
5. The 2019 Journey to Excellence recognition program unit scorecard. Your unit's scorecard can be submitted any time after September 1, if you feel you have met the requirements. Include it with your unit's 2020 re-charter paperwork, if you haven't sent it in yet.

The focus of the **JTE** program is to provide you with guidance and standards to assist you in assessing your unit's performance in key areas. Continuous improvement is one of the goals of **JTE**. Better performance in these key areas means better Scouting for the youth. In order for any performance-based recognition program to be effective, it has to have measurable goals. However, the numerical goals should not drive your program. Focus on the objectives and the Scouts will have a better experience and the points will come.

Thank you for your commitment to your unit and the Scouting program.

Yours in Scouting,

Emil Rufolo
Council Commissioner
