

SCOUTING FORWARD

The adventure continues

Dear Scouting Family,

As we continue to face the extraordinary challenges brought on by COVID-19, we're thankful for the support we continue to receive from our Scouting families. Even through the wake of a universal pandemic, our Scouting program has continued to serve more than 11,000 youth and 4,000 volunteers! Patriots' Path Council has never been more relevant or important to our community, and we thank you for helping us provide programs that are making a difference.

We are writing to you on behalf of our 2021 Friends of Scouting appeal. Your unit is scheduled to have a virtual presentation in the near future, and we wanted to make sure and get some important information to you in advance of that important gathering. Like many other organizations, we were deeply impacted by the pandemic, and your financial support is urgently needed. In fact, our Friends of Scouting appeal is one of the largest single sources of funding for our local Scouting program.

Scouts from families like yours are a welcome beacon of joy. No matter the adversity we faced in 2020, by demonstrating a cheerful spirit, creativity and kindness, our youth showed the power of Scouting to improve lives. Our volunteer leaders exhibited a passionate dedication to serving their Scouts through innovation and adaptation. Scouts continued to do a good turn daily, and our local communities and country were made better by the skills and values instilled thanks to friends like you.

Please know that your contribution is vital to Scouting's success. It is an important part in helping us deliver Scouting to your son or daughter, and ensures we are delivering character development, citizenship training, and growth in physical, mental and spiritual fitness.

Please take a moment to look over the enclosed information and then consider completing your pledge form, which provides a variety of ways to make your gift for our 2021 campaign.

Yours in Scouting,
