We are proud to report that 2023 was another successful year for Patriots’ Path Council, thanks to you, our dedicated volunteers and stakeholders. This past year saw continued challenges that we could not have anticipated, but the volunteers and staff of our council exceeded expectations in order to deliver fun and safe programs for the youth and families we proudly serve.

2024 marks the 25th anniversary of our council. Combined with Scouting programs that have spanned more than 114 years, we continue delivering life-changing adventures for our Scouts while remaining adaptive and innovative as we have more work to do to continue to expand local Scouting.

In this spirit, we have begun work on our 2025-2028 Strategic Plan, and invite your active participation in crafting strategies to ensure our future sustainability and growth.
