# #ADVENTUREON!

How will my family's investment in the 2024 Friends of Scouting Campaign benefit others and help Scouts Adventure On?

## Benefits for my Scout

Scouting in Patriots' Path Council builds life skills, character development and leadership skills for today's youth in Northern and Central NJ. Scouting develops confidence and self-reliance. Scouting is a fun way to learn, grow, and have a great family program.

## Benefits for my unit

Allows council to continue supporting units with \$100 recharter fee. By meeting your unit goal, your unit can earn up to \$150 in Scout Shop credits and 50% off rank badges.

## Benefits for Patriots' Path Council

Continued support of local programs, services and camps to ensure Scouting continues at a high level in 2024. Continued operations of Scout shops and ability to provide recruitment supplies and services. By shopping in person at our two local Scout shops or by utilizing our shop by mail service, 100% of proceeds stay local.

To significantly fund the family assistance program and camp scholarship program that are seeing increased requests from families that can not afford the full cost of Scouting or summer camp.

In 2023, we raised more than \$250,000 for scholarships, \$500,000 for specific camp improvements, and kept our council activity fee to about half of what other local councils are charging.

**It is critical that every Scouting family makes a gift based on individual ability to ensure Scouting continues!**
