2022 Fall Recruiting Incentives

Patriots' Path Council has a goal of recruiting 2,100 new youth to Scouting!

Those 2,100 youth will help grow our council to more than 11,000 youth taking part in Scouting in our five-county service area. We have decided to help every Scout unit by providing an incentive program, that benefits not only the unit, but your families as well.

**10%
Discount**

If your pack agrees to hold two recruitment events before October 31, 2022, you will earn a 10% discount for all your members. The events can be as simple as a meeting. You must submit your two dates and a copy of your current roster. Still, we encourage everyone to follow the recruiting 101 playbooks on the council Recruiting & Membership page.

READY SET RACE LET YOUR IMAGINATION RACE

Cub Scout packs recruit **10 New Cub Scouts** and submit their applications, fees, and current unit roster **by November 4, 2022; we will provide a brand new Pinewood Derby Car for every Cub Scout of the pack.** This incentive is to help our packs. We know that many of our packs provide the pinewood derby car to their youth, and we want to help with that.

We will provide a form by September 15, 2022 to let us know that you qualified. Also, by turning in the applications by October 31, 2022, you guarantee that those new Scouts will be on your unit roster when you begin the recharter process. Forms will close on the first Friday of November.
