CUB SCOUTS INCENTIVE PROGRAM: ICE CREAM SOCIAL

The purpose of the event is to raise awareness about Cub Scouting and the values it promotes, as well as to recruit new members to the Pack. It's also an opportunity for the Cub Scouts to practice their communication and organizational skills by helping to plan and run the event.

Typically, the event will feature an ice cream station where attendees can make their own sundaes or choose from a selection of pre-made ice cream treats. There may also be games, crafts, and other activities for kids and families to enjoy.

The Cub Scout Ice Cream Social is a fun and family-friendly event that promotes community involvement and helps to build relationships between the Cub Scout Pack and the community.

The Patriots' Path Council will cover the Cub Scout Ice Cream Social. **Your District Executive will indicate your approved amount for ice cream purchase.** You must submit the receipt of the ice cream purchased to your District Executive along with a list of your cub scouts.
