Alton Brown Live: Eat Your Science **Friday, November 3, 2017 @ 7:00PM**

The host of Food Network's Cutthroat Kitchen makes his NJPAC debut with a multi-media show that blends science, music and food into delicious entertainment.

In Alton Brown Live: Eat Your Science, fans can expect comedy, talk show antics, multimedia presentations, and music (yes, he sings). For this 2017 tour, Brown has also added a slew of fresh ingredients, including new puppets, new songs, plus bigger (and potentially more dangerous) experiments.
