

2020 Cub Scout Backyard Challenge

Make a Family Flag

Category: Crafts

Difficulty: Easy

Description:

This summer your family is your Cub Scout Day Camp Den. Every den needs a flag. A flag can be on paper, or as fancy as you can create!

What could go on your flag? Lots of cool things, create a great design!

What is your den name? Will you use your family name? Will you choose something that goes with the "Backyard" Theme? You could be "The Squirrels" or "The Blue Jays"! Or maybe you want to choose your favorite food that comes from a backyard garden. Your family's den name could go on the flag. If you choose an animal as your family den name, maybe you want to draw a picture of that animal on your flag.

Does your family den have favorite colors? How could these be a part of your flag?

Will you draw a picture of the members of your family on your flag?

Some other ideas are to trace hands or feet, or have every member sign their name on the flag.

Let your creativity run wild! Send a picture of your family den with your den flag!

Prepared. For Life.™
