Secretary Report:

Hello Woapalanne Arrowmen:

I apologize that I cannot make tonight's LEC as I have prior obligations with an evening college class. For tonight, I want to note that Jake has been doing a great job updating the website for all of our upcoming events so feel free to check it out!

Additionally, The next edition of the Woapalanne Wire is ready to be released tomorrow! So stay on the lookout for it!

Finally, I am excited to announce that for the Woapalanne History Project we will be writing a book! In the book, we plan to summarize the **people, events, and awards** of the last 20 years that have made Woapalanne into the lodge it is today. And of course there's lots of patches! Mr. Caccavale & Mr. McIntyre are currently working to digitize the current collection of Woapalanne patches. If anyone has information, pictures, stories/testimonials that they would like to share, please feel free to email me. Thanks everyone and stay safe!
