## 2020 Cub Scout Backyard Challenge

Neighborhood Cleanup

Category: Nature

Difficulty: Intermediate

### Description:

Have you noticed trash on the ground when you go for a walk around your neighborhood or in a local park?

Cub Scouts are “Clean in their Outdoor Manners” this is your chance to do this!

When you take a walk, bring a bag to collect trash and pick up any you see. You may want to wear gloves when you do this. Talk to an adult about how to safely clean up the trash you see. Make sure you wear your mask!

What kind of things do people drop on the ground? Why do you think this happens? What could you do to teach other people to “Be Clean in their Outdoor Manners”?

Send a picture or video of you doing this!
