PATRIOTS' PATH COUNCIL

# 100 DEGREES OF FROST AWARD

The 100 Degrees of Frost Award is presented to the Scout, Venturer, or registered adult leader who "earns" 100 or more below freezing points between October 1st and May 30th. One point is awarded for each degree below freezing recorded during a campout. The degree of temperature is determined by the "official" weather bureau station nearest the campsite; however, a leader's thermometer reading will be accepted. Degrees (points) can be carried over to another season!

## THE FOLLOWING REQUIREMENTS MUST BE MET:

1. Eight continuous hours must be spent between sunset and sunrise in a lean-to, snow shelter, under canvas (tent), or in the open.
2. No stoves or heaters are permitted in the tents or shelters.
3. Open fires are permitted, if they do not constitute a hazard to the shelter or the surrounding area and are permitted by the camping facility.
4. Scouts and Venturers must always be accompanied by registered adult leadership approved by the Unit Committee and must adhere to the principles of two-deep leadership and the Guide to Safe Scouting.
5. Organized District or Council activities may be used if all rules are followed.
6. Make-up nights and backyard camping for those who miss outings due to illness, etc., are authorized. As above, Scouts and Venturers must be accompanied by adult leadership approved by the unit committee and must adhere to the principles of two-deep leadership and the Guide to Safe Scouting.

A special 100 Degree Frost Award patch and rockers are available from Council Scout Shops. Unit leaders certify campers who have met the requirements by completing the application attached to these requirements. Once the award is earned, rockers may be earned for each additional 100 Frost Points, up to a maximum of 500.
