

2020 Cub Scout Backyard Challenge

Recycled Material Birdhouse

Category: Nature

Difficulty: Advanced

Description:

A Cub Scout is Thrifty. Time to think out of the (wooden) box and Recycle, Reuse and Repurpose. Your mission, if you choose to build it, is to build a birdhouse from unused items from around your house and yard. What can you do with those tin can, plastic jugs and old shoes?

Below are ideas found on the internet. Let's see what you can come up with...

Plastic Jug and Paint

Old Milk Carton

Prepared. For Life.™

Plastic Coffee Jug

Old Tea Tin

Tin Can and Shroud

Tin Cans

Coffee Pot, Tea Pot, Gourds

Cardboard Tube or Pipe

Prepared. For Life.™

Old Shoe

Old Ice Bucket

Cardboard Box and Paint

If you build it, they will come... Have Fun!

Please send pictures of your creations.
