

# Rocketry Exploring Post & Clubs

## Information Sheet

### **Joining Requirements:**

- Males & females in middle and high school (entering 6<sup>th</sup> grade to age 20).
- Members must complete an Explorer application and be approved to join the post by the post adviser and chartered organization.

### **Meeting Times:**

- Once per month at a minimum. Depending on membership, teams will be formed and individual team meetings may occur. Monthly meetings are TBD once an agreed time and location is made by members.

### **How it will work:**

- Members will be placed into teams based on age and geographic location.
- TARC will provide an advisor to help with the learning process but additional parent's volunteers/ advisors are needed.
- The fees below cover the basic registration fee to join the Exploring program. Additional fundraising will need to for rocket supplies and trip expenses.
- Members should download the 30 day free trial of SpaceCad 5. Details are in the Open House PowerPoint or can be found by searching online.

### **Cost:**

- \$ 24.00          Registration Fee
- \$ 9.00          Insurance Fee
- \$ 33.00          Total Amount to Join for 2016
- Checks should be made to "Patriots' Path Council, BSA"
