

2017 Promotion Requests

SHARE THE SUMMER STEM INSTITUTE EXPERIENCE WITH YOUR UNIT!

Summer STEM Institute is an experience for the family. Boys and girls entering grades 1-6 are welcome to attend the full day program!

Sign up for an SSI promotion today and let your family and friends know about the exciting program. Each promotion is about 5 minutes long. A volunteer promoter works with the unit to plan the presentation. You do not need to be a Patriots' Path Council unit.

An award certificate of \$50 will be given away to a youth member which can be used towards any week of this year's SSI programs. Please try to give us at least 2 weeks' notice before your meeting. A volunteer promoter will contact you to confirm your request.

To schedule an appointment or additional information, please contact Bill SanFilippo, SSI advisor at bill.sanfilippo@scouting.org or call 973-765-9322 x227.
