STEM IN A BOX

Looking for a great way to get your Cub Scouts started on their BSA Nova Awards? The Patriots' Path Council STEM Committee has assembled self-contained BSA Nova Award program boxes complete with program materials and leader's guides for select Cub Scout NOVA Awards:

- **Science Everywhere**
 - Tech Talk
 - **SWING!**
 - 1-2-3 Go!

Each STEM box can be reserved thru the council service center in Cedar Knolls. This **FREE** resource does require a \$20 deposit just to make sure all items are returned and received back on time (within one week). The STEM committee welcomes the deposit as a donation to keep the STEM boxes filled with equipment for years to come.
