# WINNEBAGO RESIDENT CAMP

Come join us at one of the finest and longest-running Boy Scout camps in the USA. Situated in the heart of the Copperas Mountains in Rockaway NJ, Winnebago is only 40 miles from New York City and yet so quiet. The reservation encompasses more than 450 acres of woodland for camping, hiking, and outdoor adventure. Durham Pond covers 60 acres for swimming, sailing, boating, and amazing bass fishing. Winnebago has large, private campsites for a great summer camp experience. We are proud to offer one-week sessions of resident camp to Scouts BSA with their troop or individually. Campers attending without their troop will be grouped together and form camp troops.
