The BSA's merit badge program is designed to teach Scouts about a wide variety of topics, with the hopes they'll discover new interests, new hobbies, or maybe even a future career. But the merit badge program doesn't work without merit badge counselors.

What is a merit badge counselor?

A merit badge counselor is a responsible adult with knowledge and enthusiasm about a career, hobby or other subject who is willing to share that knowledge and enthusiasm with Scouts.

**This months Safety moment: All Terrain Vehicles (ATV)**

**SUMMARY:**

All-terrain vehicles (ATVs) are defined as “motorized recreational cycles with three or four large, soft tires, designed for off-road use on a variety of terrains.” While all-terrain vehicles—including ATVs, utility task vehicles (UTVs), and side-bysides—are fun and exciting to navigate through a forest course, they are also under the watchful eye of the Consumer Product Safety Commission and have a reputation of scarring the environment.
