

### TRANSITION CROSSWALK TABLE BETWEEN "OLD" AND "NEW" BSA RANK REQUIREMENTS

Effective January 1, 2017, ALL scouts will be required to utilize ONLY the NEW requirements for rank advancement on any rank not completed by December 31, 2016. BSA has stated that requirements that are worded **exactly** the same may be transferred from a scout's completed requirements toward a rank on 12/31/2016 to their progress toward the same rank utilizing the new requirements on 1/1/2017. Listed below is a crosswalk table to guide the transfer of completed requirements from e.g. a scout's old handbook to his new handbook (or rank requirement insert).

Signoff in the new handbook, or insert, can be accomplished utilizing the following:

- KEY = Means wordings are exactly the same, and signoff transfer may occur.
- "Almost to" means signoff can NOT occur until the completion of the items listed under "With addition of".
- NEW means requirement is newly required & must be completed.
