

6 BIG Reasons You Won't Want to Miss Jersey Jam 2019

- Jersey Jam will be New Jersey's Scouting event of the decade. Patriots' Path Council won't have another jamboree for several years after this, so there's a TON of pent-up energy and enthusiasm to make this a great event!
- Jersey Jam is open to all Scouts BSA Troops, not just New Jersey Scouts and Scouters. You'll meet (and likely forge lifelong friendships with) Scouts, Venturers, Explorers and Sea Scouts from all over!
- Jersey Jam's Program is jam-packed with adventure; we're putting together a weekend extravaganza of one-of-a-kind activities, exhibits, scouting experiences, sports, games and competitions to keep Scouts busy and energized every minute. The opening and closing show, as well as the main program, takes place on Saturday, but you'll have the whole weekend to explore, interact with fellow Scouts, and enjoy this once-in-a-lifetime jamboree!
- With so many Scouts and Scouters, it'll be possible to work on rank advancement up to First Class. You will also be able to meet local merit badge counselors through planned merit badge demonstrations.
- Jersey Jam is more affordable, less of a commitment and less preparation for participants than national and world jamborees. And it'll practically be in your backyard (at Waterloo Village across from Mount Allamuchy Scout Reservation).
- Jersey Jam will have collectible swag. The patches, hats, shirts, limited edition pewter belt buckle and other items for this event are sure to become collector's items for many years to come.
