

Why Jersey Jam 2019?

- **Jersey Jam will be the Scouting Event of the Decade.** Patriots' Path Council has not had a Jamboree in more than 10 years...so there's a TON of pent-up energy and enthusiasm to make this a great event.
- **Jersey Jam is for New Jersey + Neighboring States.** You'll meet Scouts, Venturers, Explorers and Sea Scouts from a broad range of Councils in the Northeast Region.
- **Jersey Jam's Program is Jam-Packed with Adventure.** We're putting together a 2-day extravaganza of activities, demonstrations, exhibits and competitions to keep Scouts busy and energized every minute.
- **Jersey Jam is a Rain or Shine Event.** We're not going to let wind, rain or snow keep us from holding this event.
- **Jersey Jam is BY Scouts and FOR Scouts.** No organization can put together and run a Scout Jamboree like the Boy Scouts of America. We know what Scouts want, and can deliver on their expectations.
- **Jersey Jam will Energize Your Unit.** You'll see and experience new things that are out of the ordinary, and will provide a unique shared experience for your Scouts and Scouters.
- **Jersey Jam can be a Scouting Career Highlight.** Your Scouts will long remember this event, well beyond their Scouting years. In fact, no Scouting career is complete without a Jamboree like Jersey Jam.
- **Jersey Jam is a "No-Hassle" Event.** The Waterloo Historic Village site is tailor-made for Jamborees. Adjacent to Mount Allamuchy Scout Reservation. Easy to get to. It's an enormous site with lots of parking. And it's secure in every respect.
- **Jersey Jam has Advantages over National and World Jamborees.** Not that those events aren't great...but at Jersey Jam, there's no large expense, no 2-week commitment, no months of preparation, and no long hikes to get to activities.
- **Jersey Jam is affordable.** We've held down the cost to \$50 per Scout and Scouter, which we think is a great value for a weekend adventure like this one.
- **Jersey Jam will have Great Swag.** The patches, hats, shirts and other items for this event are sure to become collectors items for many years to come.
