To: All Participants

Please help the staff be able to better serve you on this training course by following the rules below.

1. **No Fires.** We do not plan on having the necessary fire-suppression equipment in the campsites, and fires should not be necessary.
2. All **lights out** and the campsite **quiet** 30 minutes after dismissal at the close of the program.
3. We are enforcing the **two-deep leadership** regulation at all times.
4. No Scout is permitted to share a tent with an adult, (exception being a father/son attending together). Adult leaders and scouts are to tent separately.
5. **Bears** in the campsite - participants are to stay put and follow instructions given during the program.
6. NO food is allowed in the campsite - no snacks, no candy in tents or packs. Leave all food in a locked vehicle (there is no reason to bring food with you).
7. Please stay out of the kitchen. It is crowded enough with the staff working to provide your meals.
8. Scouts which are unaccompanied by an adult will be paired with a buddy and assigned to a staff member.
