

## What is the Youth Executive Committee?

The Youth Executive Committee is an organization that brings together leaders and innovators from the fields of Boy Scouting, Venturing, Exploring, Sea Scouting, and the Order of the Arrow to demonstrate the excellence of the youth within the Patriots' Path Council. By providing training, leadership development opportunities, and community outreach programs, the Youth Executive Committee is one of the premiere developers of principled youth leaders within the council. By working together with their peers, Youth Executive Committee members are able to develop their problem solving, public speaking, and communication skills by using their knowledge to assist and empower youth to be the best they can be.

## Requirements

1. Be at least 14 years of age.
2. Have earned the rank of First Class if a Boy Scout if applicable.

## In completing this form

1. Please use the applicant's full name. No nicknames please.
2. Please write clearly and legibly in blue or black ink.
3. In order for the committee to properly process the application, it must be received at the council service center by close of business.
